PROPOSED ACQUISITION OF FRONTLINE TECHNOLOGIES CORPORATION LIMITED BY BT

BT and Frontline Technologies Corporation Limited (Frontline), one of the leading providers of end-to-end information technology (IT) services within the Asia Pacific region, announced today that they have entered into an agreement for BT to acquire the entire issued share capital of Frontline (the "Acquisition") for approximately S\$202 million. Frontline provides IT consulting, infrastructure services, systems integration and IT outsourcing to local, regional and multinational customers. The company, which is listed on the main board of the Singapore Exchange, has operations in China, Hong Kong, India, Indonesia, Malaysia, Singapore, the Philippines, Taiwan and Thailand.

The Acquisition will be effected by way of a scheme of arrangement under the Singapore Companies Act and in accordance with the Singapore Code on Take-overs and Mergers (the "Share Scheme"). On completion of the Share Scheme, all issued Frontline shares will be transferred to BT for cash consideration of S\$0.245 for each Frontline share (the "Scheme Price"). The Scheme Price represents a 33.9% premium to 1-month average share price¹. At the close of business on the day preceding the date Frontline's shares were suspended from trading, Frontline's market capitalisation was S\$157 million. The completion of the Share Scheme is subject to the fulfilment of certain conditions precedent, including the approval of Frontline shareholders and the confirmation of the High Court of Singapore.

This news release should be read in conjunction with the full text of the joint announcement released by BT and Frontline dated 5 December 2007. A copy of this announcement is available on www.sgx.com.

The Acquisition complements BT's existing networked IT services capabilities within the Asia Pacific region. Frontline has an excellent reputation for the delivery of complex solutions and network management services to corporate customers with a

¹ Based on the 1 calendar month volume weighted average price

strong presence in the financial services, transportation, manufacturing, telecommunications, education, healthcare and public sectors.

François Barrault, CEO BT Global Services, said: “This Acquisition will create one of the leading providers of networked IT solutions that will be able to offer a broader portfolio of solutions to local, regional and global customers. Frontline will bring to BT major new contracts in Asia and BT will be in a position to offer Frontline customers the full suite of BT products and services. Through this acquisition we reinforce our ability to provide high quality services to our customers wherever they do business. Frontline brings to BT approximately 5,000² highly skilled and professional people whose reputation for delivering complex solutions and network management services fits perfectly with BT’s strategy. We believe our combined reach and skills will create an unbeatable team in Asia Pacific as we seek to respond better to our customers’ challenges and opportunities”

Frontline’s Executive Chairman and Founder, Steve Ting said “Since founding Frontline in 1993, we have strengthened our footprint throughout Asia Pacific and we are extremely proud of the company that we have created. Becoming part of BT can only accelerate our future growth and help to create a unique portfolio offering that will benefit our existing and future customers, firmly establishing us as one of the leaders in our space. This proposed transaction is great news for our customers, shareholders and employees.”

The three Executive Directors of Frontline, Mr Steve Ting Tuan Toon, Mr Lim Chin Hu and Ms Shirley Wong Swee Ping, who are a key part of Frontline’s management, will continue in their respective roles upon closing of this deal. Certain shareholders, holding approximately 41% of the issued share capital of Frontline, including the key executives named above, have given undertakings to vote in favour of the Share Scheme.

Separately, we note that Frontline has today announced that it has entered into a conditional agreement to purchase 2,025,810 shares in Accel Frontline Limited amounting to approximately 9 per cent. of Accel Frontline Limited from Accel. Accel Frontline Limited is listed on the Bombay Stock Exchange and National Stock Exchange of India. We note that the completion of this share purchase is conditional
